

Answer the questions. Use the writing checklist to help you organize your writing.

1. Why did Europeans come to North America?

2. What role did Joaquin play in the exploration of Utah?

3. How did mountain men contribute to the exploration of Utah?

Writing Checklist:

- Read each question. Think about your responses.
- Use this paper to write a first draft of your responses to each question.
- Be sure your responses have:
 - a topic sentence
 - at least three supporting sentences
 - a concluding sentence
- Edit your responses for spelling, grammar, punctuation, and capitalization.
- On another piece of paper, write a final draft of your responses to each question.
